He was the first astronaut to orbit the Earth. Nearly four decades later, as the world's oldest astronaut, his courage riveted a nation. But these two historical events only bracketed a life that covers the sweep of an extraordinary century.

John Glenn's autobiography spans the seminal events of the twentieth century. It is a story that begins with his childhood in Ohio where he learned the importance of family, community, and patriotism. He took these values with him as a marine fighter pilot during World War II and into the skies over Korea, for which he would be decorated. Always a gifted flier, it was during the war that he contemplated the unlimited possibilities of aviation and its frontiers.

We see the early days of NASA, where he first served as a backup pilot for astronauts Alan Shepard and Gus Grissom. In 1962 Glenn piloted the Mercury-Atlas 6 *Friendship 7* spacecraft on the first manned orbital mission of the United States. Then came several years in international business, followed by a twenty-four year career as a U.S. Senator—and in 1998 a return to space for his remarkable *Discovery* mission at the age of seventy-seven.

This extraordinary audiobook captures the unique alchemy that brings a man to the forefront of his time. Married to a woman he first met when they were both toddlers, known for his integrity and leadership in the Senate, John Glenn tells a story that we must hear. This narrative of courage and honor is both a great adventure tale and a source of powerful inspiration for an age that needs John Glenn's values.

JOHN GLENN has spent most of his life in public service, as a distinguished U.S. Senator and a veteran of twenty-three years in the Marine corps, during which time he was awarded numerous medals for his achievements, as well as the NASA Distinguished Service Medal and the Congressional Space Medal of Honor. He and his wife of fifty-six years, Annie, have two grown children and two grandchildren.

NICK TAYLOR is the author of six nonfiction books, among them the highly praised *A Necessary End*, a memoir of his parents' final years, and most recently *Healing Lessons*, with Sidney Winawer, M.D. He lives in New York City.

John Glenn: A Memoir is also available on compact disc, in a Random House Large Print edition, and in hardcover from Bantam Books.

Police Lt. Eve Dallas's fate is wired to the last second as she comes across a serial bomber stalking the streets of New York.

Eve Dallas returns to face her most ingenious foe—a "Secret Admirer" who taunts her with letters...and kills without mercy. An unknown bomber is stalking New York City. He is sending Eve Dallas taunting letters promising to wreak mass terror and destruction among the "corrupt masses."

And when his cruel web of deceit and destruction threatens those she cares for most, Eve fights back. It's her city...it's her job...and it's hitting too close to home. Now, in a race against a ticking clock, Eve must make the pieces fit—before the city falls.

Read by Susan Ericksen

Susan Ericksen lives on the East Coast, where she performs on stage and television. She also appears regularly with the Hope College Repertory Company, of which her husband, David Colacci (another fine Brilliance narrator) is artistic director.

Welcome to our community center where we celebrate many important holidays from various cultures and traditions around the world! This fascinating video series provides a look at the origins and historical backgrounds of individual holidays, and offers details about how we celebrate and commemorate these important occasions. *Holidays for Children* combines traditional music, illustrated folk tales, creative animation and interactive arts and crafts segments to give children a sense of appreciation of their own cultural heritage and the cultures and traditions of others. Everybody loves a holiday, and these programs will expand students' understanding of the meaning and significance of these celebrations!

Presidents Day

23 Minutes **Teacher's Guide Included and Available Online** **Grades K-4**

Join the kids at the community center as they pay tribute to the chief executives of the United States of America, our presidents! In *Presidents Day*, students find out how this holiday is celebrated today and learn about the history of two of our most famous presidents, George Washington and Abraham Lincoln. Through stories, songs and crafts, students learn more about how the president is elected, his or her responsibilities, and the nation's most famous home, the White House. Fun presidential facts offer an engaging way for students to learn about the history of the U.S. presidency.

This guide is a supplement designed for teachers to use when presenting programs in the video series *Holidays for Children*.

Before Viewing: Give students an introduction to the program by relaying aspects of the introduction to them. Select vocabulary and discussion questions to provide a focus for students when they view the program. Engage your class in a brainstorming activity to determine the prior knowledge that students have about the holiday.

After Viewing: Review the program and the information students brainstormed about the holiday. Help students to determine the accuracy of these ideas based on information they gained from watching the program and to add new ideas to their brainstorming list. Review the vocabulary and use the discussion questions and activities to inspire continued discussion. Encourage students to research the topic further with the Internet and print resources provided.

Many thanks to Ed Lewins, Curator of Birds at the San Diego Zoo, and to Shawnee Riplog Peterson, Curator of Mammalogy and Ornithology at the Arizona-Sonora Desert Museum, for reading this manuscript and generously sharing their expertise.

Thanks also to Kimball Garrett, Ornithology Collections Manager at the Natural History Museum of Los Angeles County, Sheri L. Williamson of the Southeastern Arizona Bird Observatory, and the hummingbird team at Project Wildlife for patiently answering my questions about the growth and development of hummingbirds.

And, as always, my warmest thanks to Lynne T. Whaley for humming along with me.

THE KINGFISHER ILLUSTRATED HORSE & PONY ENCYCLOPEDIA

The Kingfisher Illustrated Horse & Pony Encyclopedia is a fantastic guide for children who dream of having a horse or pony of their own. There is a clear introduction to horses followed by chapters explaining horse and pony care, riding lessons, and breeds. From “hotbloods” such as the Arabian and Thoroughbred, cantering through “coldbloods” such as the Shire and Dutch Draught, and galloping to the finish line with “warmbloods” such as the Camargue, Morgan, and Palomino. And because every horse lover wants to ride, *The Kingfisher Illustrated Horse & Pony Encyclopedia* takes the novice rider from first mount to cantering and galloping.

- Superb pictures taken by world-famous horse photographer Bob Langrish
- Excellent reference guide for use by the whole family
- Includes a full glossary and index
